

DIRECT CLIENT SERVICE (DCS) CONTRACTS – INFORMATION FOR VENDORS

This document is organized to make submission accessible and easy. It is organized as a form fill document in Adobe (WIN/Mac) and Preview (MAC). If preferred, this document may be downloaded, information hand-written in, then scanned and uploaded into [NevadaEPro](#).

1. DIRECT CLIENT SERVICES (DCS) APPLICATION RESPONSE

- 1.1. PAGES 1-2, INFORMATION FOR VENDORS. These first pages can be used as a checklist for submission. Vendors are expected to return this entire packet, pages 1-22.
- 1.2. PAGES 3-7, STATE DOCUMENTS. These pages are to be filled out completely. Electronic signature is acceptable.
- 1.3. PAGES 8-9, SCOPE OF SERVICES. Vendor should mark one (1) or more high-level description(s) of services offered to State clients. Final verification of services and estimated value will be determined by the State. Failure to accurately mark selections on these pages can lead to extended review and processing times.
- 1.4. PAGES 10-18, STATE CONTRACT DOCUMENT
 - 1.4.1. The information should auto fill on contract page 1. If it does not, information should reflect what was entered on *Pages 3-7, State Documents*.
 - 1.4.2. *Section 5, Incorporated Documents* and *Section 7, Consideration* of the contract will be completed by the State.
 - 1.4.3. Vendor must sign *Independent Contractor's Signature* line on contract page 9 as part of submission. Electronic signature is acceptable. Failure to complete this step will lead to extended processing times.
- 1.5. PAGE 19, INSURANCE ATTESTATION. Vendor must complete and signed this page. Information will be used by the State in determining insurance requirements for the contract.
- 1.6. PAGES 20-22, INSURANCE SCHEDULE
 - 1.6.1. These pages identify proposed insurance requirements for the contracted services.
 - 1.6.2. Final Insurance Schedule incorporated in a contract may differ, based on review of *Page 19, Insurance Attestation*.
 - 1.6.3. State Purchasing will maintain and track insurance compliance for DCS Contractors. Contractor should upload current proof of insurance that compliances with contract insurance schedule within 30 days of contract execution.
 - 1.6.4. Contractor shall have 15 days upon renewal of insurance policies to upload via State Purchasing provided link.

2. CRITICAL ITEMS

- 2.1.1. SECRETARY OF STATE. Vendor shall possess a [State of Nevada Business License](#) prior to submission and shall maintain that license throughout the contract. Vendor must notify State Purchasing prior to any revisions/changes to the business filing with the Nevada Secretary of State.
- 2.2. STATE CONTROLLER. Vendor MUST COMPLETE [vendor registration for payment with the State Controller's Office](#) prior to submission.
- 2.3. QUOTE SUBMISSION. Quote MUST HAVE at least one (1) "See Quote Attachments" box checked on the Quote Items tab in [NevadaEPro](#). Vendor may skip entering anything on the Items tab to avoid errors.
- 2.4. LEGAL NAME
 - 2.4.1. Vendor must submit quote and complete packet using the entity Legal Name as registered with the Secretary of State.
 - 2.4.2. Contracts are issued one (1) per legal entity not per location of business or practice. Separate Taxpayer Identification Numbers (TIN) or Social Security Numbers (SSN) are considered separate legal entities, but different locations or trade names are not.
 - 2.4.3. Vendor may indicate one or more doing business as (DBA) or trade name(s) after the name of their legal entity. This is often a point of confusion with multiple location Group Home and Supported Living Arrangement services.
 - 2.4.4. Example: Vendor GoodEyes Optometry has offices in Reno, Carson City, and Las Vegas. The office in Las Vegas goes by the name "GoodVision", but ownership is maintained under the same business license and TIN. The vendor would only receive one contract for the Legal Name of "GoodEyes" "GoodVision" is considered an additional location, not a separate entity. Additional payment locations can be identified with the State Controller's Office.

DIRECT CLIENT SERVICE (DCS) CONTRACTS – INFORMATION FOR VENDORS

3. CONTRACT USE INSTRUCTIONS AFTER AWARD

- 3.1. Once a vendor has a fully executed statewide contract (and are, therefore, a “Contractor”) a Master Blanket Purchaser Order (“Blanket”) is issued in NevadaEPro at <https://nevadaepro.com/bsol> and the contractor is included on the statewide list, available for use by State agencies and local governments for Direct Client Services (DCS).
- 3.2. **SERVICE AGREEMENT**
 - 3.2.1. All State and local governmental entities are authorized to utilize services off the statewide contract via a service agreement (sample attached) for Direct Client Services.
 - 3.2.2. A using agency will utilize a service agreement to specifically identify the scope of services needed, the fee schedule identifying the amount that will be authorized for services or other deliverables, and any other requirements or relevant information outlining the relationship between the Contractor and the agency for providing DCS.
 - 3.2.3. A separate service agreement, under the single statewide contract, is required for each agency or program that requires direct client services for their clients from a Contractor.
 - 3.2.4. Contractor is responsible for reading and understanding terms of a service agreement.
- 3.3. **PRE-AUTHORIZATION OF SERVICES.** Agencies may have pre-authorization requirements. If so, pre-authorization forms and rules will be included in a service agreement. The State does not agree to reimburse a contractor for unauthorized services.
- 3.4. **SERVICE AGREEMENT EXECUTION.** A service agreement is not considered executed until it has been signed by all parties and a NevadaEPro Release Purchase Order number has been issued against the Blanket.
- 3.5. **SERVICE AGREEMENT TERMINATION.** A using agency or contractor may terminate a service agreement at any time, with appropriate notice as outlined in the service agreement, without effecting the statewide contract.

Notices may be given: (i) by delivery in person; (ii) by a nationally recognized next day courier service, return receipt requested; or (iii) by certified mail, return receipt requested. If specifically requested by the party to be notified, valid notice may be given by facsimile transmission or electronic mail to the address(es) such party has specified in writing.
5. **INCORPORATED DOCUMENTS.** The parties agree that this Contract, inclusive of the following attachments, specifically describes the scope of work. This Contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT AA:	SCOPE OF SERVICE
ATTACHMENT BB:	INSURANCE SCHEDULE
ATTACHMENT CC:	STATE SOLICITATION RFP 99SWC-S1737
ATTACHMENT DD:	PROVIDER SUBMISSION

Any provision, term or condition of an Attachment that contradicts the terms of this Contract for Independent Contractor, or that would change the obligations of the State under this Contract for Independent Contractor, shall be void and unenforceable.

6. **CONSIDERATION.** The parties agree that Contractor will provide the services specified in *Section 5, Incorporated Documents* at a cost as noted below:
- 7.

8. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.
9. **BILLING SUBMISSION: TIMELINESS.** The parties agree that timeliness of billing is of the essence to the Contract and recognize that the State is on a Fiscal Year. All billings for dates of service prior to July 1 must be submitted to the state no later than the first Friday in August of the same calendar year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the state of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to Contractor.
10. **INSPECTION & AUDIT.**
- A. Books and Records. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or

CETS#	
RFP#	99SWC-S1737

United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all State and federal regulations and statutes.

- B. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant State agency or its contracted examiners, the department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the state Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this Section.
- C. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the state, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

11. **CONTRACT TERMINATION.**

- A. Termination Without Cause. Regardless of any terms to the contrary, this Contract may be terminated upon written notice by mutual consent of both parties. The State unilaterally may terminate this contract without cause by giving not less than thirty (30) days' notice in the manner specified in *Section 4, Notice*. If this Contract is unilaterally terminated by the State, Contractor shall use its best efforts to minimize cost to the State and Contractor will not be paid for any cost that Contractor could have avoided.
- B. State Termination for Non-Appropriation. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claims(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- C. Termination with Cause for Breach. A breach may be declared with or without termination. A notice of breach and termination shall specify the date of termination of the Contract, which shall not be sooner than the expiration of the Time to Correct, if applicable, allowed under subsection 10D. This Contract may be terminated by either party upon written notice of breach to the other party on the following grounds:
 - 1) If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
 - 2) If any state, county, city, or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
 - 3) If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the Bankruptcy Court; or
 - 4) If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
 - 5) If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with

CETS#	
RFP#	99SWC-S1737

respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

- 6) If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.

D. Time to Correct. Unless the breach is not curable, or unless circumstances do not permit an opportunity to cure, termination upon declared breach may be exercised only after service of formal written notice as specified in *Section 4, Notice*, and the subsequent failure of the breaching party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared breach has been corrected. Upon a notice of breach, the time to correct and the time for termination of the contract upon breach under subsection 10C, above, shall run concurrently, unless the notice expressly states otherwise.

E. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this Section survive termination:

- 1) The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
- 2) Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
- 3) Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
- 4) Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with *Section 21, State Ownership of Proprietary Information*.

12. **REMEDIES.** Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. For purposes of an award of attorneys' fees to either party, the parties stipulate and agree that a reasonable hourly rate of attorneys' fees shall be one hundred and fifty dollars (\$150.00) per hour. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190. In the event that Contractor voluntarily or involuntarily becomes subject to the jurisdiction of the Bankruptcy Court, the State may set off consideration against any unpaid obligation of Contractor to the State or its agencies, to the extent allowed by bankruptcy law, without regard to whether the procedures of NRS 353C.190 have been utilized.

13. **LIMITED LIABILITY.** The State will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the Fiscal Year budget in existence at the time of the breach. Contractor's tort liability shall not be limited.

14. **FORCE MAJEURE.** Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.

15. **INDEMNIFICATION AND DEFENSE.** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any breach of the obligations of Contractor under this contract, or any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.
